What is End of Tenancy Cleaning and why we have to do it?

You can find everything about this kind of service [here](#).

The catch is as follows: if we do not clean the house, then the landlord will not return the deposit to us.

CLEANING
END OF TENANCY CLEANING

You have three options:

1. Try to clean the house yourself
2. Use the services of a professional cleaning company
3. The landlord can call a cleaning company himself

Advice: Do not let your landlord dispose of cleaning your home alone.

DIY vs. PROFESSIONAL

As you have already understood, Post tenancy cleaning is not a simple cleaning.

So surely the money you will spend will be nothing compared to losing your entire deposit.

Cheap End of tenancy cleaning prices

Be careful if the prices of a particular agency seem to you to be too cheap.

Always check if the cleaning companies are legal and qualified, read the feedbacks or at least you can ask the neighbours.
